

Admission procedure terms for the Master's degree programme Pharmacy at the Faculty of Pharmacy, Masaryk University in academic year 2023/2024

(as approved by the Academic Senate of the Faculty Pharmacy on September 14th, 2022)

In accordance with § 48, 49 and 50 of the Higher Education Act No. 111/1998 Coll., and Internal Regulations of Masaryk University, the Faculty of Pharmacy of Masaryk University hereby announces the admission procedure requirements for the Master's degree programme Pharmacy, in full-time study mode, taught in English language, in academic year 2023/2024.

Admission to studies in the Master's degree programme Pharmacy is conditional upon the **completion of secondary education** completed by leaving examination **recognized by Czech authorities** (§ 48 of Act No. 111/1998 Coll.) and undergoing of admission procedure (§ 49 of Act No. 111/1998 Coll.). Admission procedure requirements are specified as follows:

1) Application for admission

Application for admission should be submitted in electronic form via Information System of Masaryk University with following attachments:

- secondary school-leaving certificate (*applicants without secondary school certificate at the time of application submission will be asked to present verified copy at the day of enrolment) – mandatory
- curriculum vitae in English – mandatory
- language certificate, transcript of records from previous study at a university etc.

Applicants need to submit application form by between **December 1st, 2022 and August 31st, 2023**.

It is highly recommended to applicants from outside of EU countries to submit applications by May 31st, 2023.

Based on number of applicants, the Dean shall decide upon additional admission period for academic year 2023/2024. This being the case, applications for additional admission period will be accepted from **September 1st to September 30th, 2023**.

2) Admission procedure fee

Applicants are required to pay admission procedure fee 750 CZK. Payment is done via Shopping Centre to where the applicants will be transferred in the last step of filling in the e-application.

3) Entrance examination

Entrance examination is a compulsory part of admission procedure for all applicants. No exceptions are granted. The applicants for study shall undergo the entrance examination in English language. Entrance examination has written online form and consists of test from Biology (40 questions) and Chemistry (40 questions). To work out the tests is given 80 minutes. Correct answer to each question is awarded by 1 point, the maximum possible score is therefore 80 points. The acceptance pass mark is 50% (40 points from both tests in total).

The lists of topics for the entrance tests in Biology and Chemistry, and **Sample tests** are available upon request at the study office.

Entrance examinations will be provided in period **January 1st, 2023 –September 8th, 2023**. Prior to the examinations applicant will be sent an e-mail with instructions. If the applicant cannot attend the entrance examination for serious reasons, upon written request, the examination will be given on an alternative date.

4) Admission of the applicant for study

The Dean shall decide on the admission of the applicant for study based on the results of the admission procedure. In accordance with § 50 of Act No. 111/1998 Coll., on Higher Education Institutions, as amended, the decision will be issued within 30 days upon the verification of the conditions for admission to study. The decision comes into force after submitting documents recognising the equivalence of applicant's prior education in the Czech Republic. Applicant will be sent an invitation and instructions for enrolment to study. For academic year 2023/2024 the estimated maximum number of students accepted to study is 60 for the courses recommended in each year of study. The number can be changed by a directive of the Dean of the Faculty.

The conditions of study are stated in the Rules of Study and Examinations of Masaryk University:
http://www.muni.cz/general/legal_standards/study_examination_regulations?lang=en

Enrolment for the academic year 2023/2024 will take place during September 2023. Students will be notified by email at least 2 months prior to the enrolment. Orientation week for foreign students will take place during the week prior to the beginning of teaching in the autumn semester.

5) Possibility of appeal

The candidate may appeal the decision within 30 days from the date of its notification. The appeal shall be submitted to the Dean of the Faculty of Pharmacy via Study Office.

Admission procedure terms for the Master's degree programme Pharmacy at the Faculty of Pharmacy, Masaryk University in academic year 2023/2024 were approved by the Academic Senate of the Faculty of Pharmacy, Masaryk University on September 14th, 2022, in accordance with § 27, art. 1 e) of Act No. 111/1998 Coll., on Higher Education Institutions, as amended.

Brno, September 14th, 2022

prof. PharmDr. Mgr. David Vetchý, Ph.D.
Dean of the Faculty of Pharmacy
